INTRODUCTION

This Handbook is the result of many hours of labor of many who have preceded us in this greatest fraternity the world has ever seen. We have updated and revised it to the best of our knowledge and ability for you, the freemason of Wisconsin. This material will change as needed with time, but the use of it will never change. It is to be used as a reference to help you and your Lodge to be successful in your community.

The material is to be used with a computer and the various sections of interest to be printed as needed. The whole book may be printed and put in a binder, as were earlier editions. If you do not have a computer you can take this disc to a Quick Print, Staples, or other printing store and have it printed for a nominal fee.

The Grand Lodge Planning Committee would like to thank the Grand Secretary, PGM Mike De Wolfe for his assistance in this revision. Planning Committee members who helped revise this 2011 edition of the handbook; Don Hensiak, Don Illif, John Krinke, Arby Humphrey, Ken Gorgen, Frank Mayer, and Frank Struble would like to dedicate this book to our present, past and future Masonic Brothers who constitute the Lodges throughout Wisconsin.

Fraternally,

Grand Lodge Planning Committee
