2011-2012 Schools of Instruction

Brethren,

Welcome to the 2011-2012 schools of instruction. This is the start of our new three year plan of events, where we plan to cover one degree a year in its entirety. Along with the degrees, the Grand Lecturer and the Esoteric Committee have included additional parts of the ritual that aren't normally covered. Please read through the program and come to the schools prepared.

Our ritual is of the utmost importance. It is what separates us from a lot of other organizations. As most of you know the ritual has played a big part in my rise through Grand Lodge. I have always believed that our ritual in its form helps bridge the gap between generations and is one of the first displays of Brotherly Love we offer to our new members. Please take pride in learning your parts and execute them with pride as well. We all represent the entire Fraternity when performing our Ritual.

Please make every effort to have your officers and members attend your scheduled school. Everyone can and will learn something at the schools. Our Grand Lecturer Ken Gorgen and the Esoteric Committee have worked hard the past several years and continue to work towards restoring the integrity back into our schools. Show them your support by attending and participating.

I thank you all for your dedication and enthusiasm. Thanks to all of you, Masonry is in good hands and will continue to grow and prosper.

Fraternally,

Davey L. White, Jr.

Grand Master

DISTRICT NO. 5

MICHAEL L. BARREYRO, DISTRICT LECTURER

Dear Brothers,

All over our state, the Grand Lodge is standardizing the Schools of Instruction held by the District Lecturers. The plan is to have a three year cycle to instruct on each degree per year, as well as other sections of our ritual that need to be reviewed every year. With so much to cover, we have the option of starting Schools of Instruction earlier on weekday nights, holding the schools on weekends, or having another school in the spring. I've decided to continue with our current meeting date and time on a weeknight, and find out how much we progress at the end of the night. Then I can decide if we need more Schools of Instruction in the spring to cover any outstanding sections. I am trying something different this year. Rather than assign each lodge a section as I've done for many years, I'll recruit brothers at the school to perform those parts they are comfortable with.

If your lodge will not be able to attend the school of instruction date for your area, feel free to travel to any of the other area schools. Just let the host lodge or me know. If you cannot make any of the dates, contact me to work out some other arrangement to have a School of Instruction at your lodge.

Items to be Covered in Schools:

- 1. Open MM**
- 2. Rod-work and floor-work**
- 3. Reception of GL officers**
- 4. Receiving a petition / Balloting**
- 5. Closing or calling down from MM to open EA**
- 6. EA Degree (no lectures)**
- 7. Closing EA**
